## From the Commodore

WVSC Members,

Spring is not something we are waiting on any longer. It is here!

As I'm writing, I see a yard that needs mowing soon and flower beds to clean and ready for new plants. And, in the midst of this another item: clean "winter" off our boat. Yep, cleaning all the dirt and grime that's built up since last fall. It's one of those chores we sailors have to do, but I do find enjoyment in it. What it means to me is I'll soon be sailing. So break out the buckets, cleaners and sponges. Spring is here!

We have lots going on this spring at the club. First the sewage holding tank outside the clubhouse is in the process of being replaced. This must be done before the restrooms and kitchen sink can be used. This is a big deal; not an easy project. Soon WVSC members will be asked to support work parties, from cleaning up the clubhouse to working on the docks. Please volunteer for these work parties as we need your help. Also on the horizon is the first social scheduled for April 26. Also that day we are having a club meeting from 2-4 PM to discuss issues from the annual meeting and whatever is on your mind in regard to WVSC. This will be a moderated meeting with the goal of constructive conversation concerning the club: what is good now and what needs work. Details will be sent out soon.

If you have anything you'd like to discuss, give me a call/email.

Looking forward to the 2014 sailing season.

Thanks, Randy

## BOY SCOUT TROOP 533 SAILING CAMP OUT MAY 17 • 2014

Andover Troop 533 is looking forward to a Saturday of sailing with members of the Walnut Valley Sailing Club. There will be approximately 20 scouts and adults participating in this event. I invite the members of the club to show the scouts the joys of sailing. With any luck we'll have more wind than in 2011, the last time Boy Scout Troop 333 sailed with WVSC. I would like to be able to have enough boats so that no more than three scouts and adult leaders are on any boat. The more boats, the merrier for all.

In order for a scout or adult to participate in watercraft activities each needs to be able to swim at least 100 yards and to float. The Boy Scouts call this a Blue Swimmer. Any scout that is not a Blue Swimmer will not be allowed on the camp out. I do not expect the scouts to have their own Personal Flotation Device. The rules of Safe Scouting also require the scouts wear a Personal Flotation Device while on the water.

I would expect none of the scouts or adult leaders to have any sailing experience. This is your opportunity to show them why we enjoy the sport of sailing.

Our plan is to be at the shelter by 9:45 AM Saturday morning. At this point the boat owners meet us at the shelter, or we can meet in clubhouse, and we will divvy up scouts and boats. Each scout will bring water and a sack lunch. It is the boat owner's determination as to whether to eat on their boat or at the shelter.

Sailing should be finished around 4:00 PM Saturday afternoon

I will be on shore while the scouts and other adults are on the water.

Boy Scout Troop 333 sincerely appreciates the support received, past and present, from the members of the Walnut Valley Sailing Club!

Please confirm your availability to help with this activity by May 4. If you have any questions, please contact me at 733-2689 or 393-3569 or by email at [rfugit@sbcglobal.net](mailto:rfugit@sbcglobal.net).

Again, thank you for your support.

Bob Fugit**

## WVSC RACING FOR 2014

### To all of the WVSC members:

A contingency of the WVSC Racing Community met in early February and agreed upon the 2014 racing program and schedule. No major changes, with the exception being having one race day per week throughout the race season.

### No changes to the following:

1. Portsmouth handicap with wind speed factors
2. 5-minute start sequence
3. Separate starts for keelboat & centerboard fleets
4. No courses set through hazard areas
5. 3-boat minimum to make a race
6. **Scoring:** Club Championship using race scoring "Percentages of Boats Beaten" per US Sailing and as used 2012 at WVSC. This system automatically encourages participation (no participation bonus needed) and encourages participation outside your comfort zone.
7. **Scoring/Participation:** Club Championship - Keel & Centerboard
  - a. Throw-outs – 1 race in 7 race participated in.
  - b. Minimum participation to win championship is 8 races and or 35% of all races sailed or whichever is greater.
8. **Long Distance Race**
  - a. 1 Per Month max at R/C option
  - b. Any regular race with wind from 190 degree +/-15 degrees
  - c. Down to "Dam" and back with optional reaching mark.

### Race Schedule:

We will have three series: Spring, Summer and Fall. All races will count towards the club trophy for keel and centerboard boats. The racing schedule is as follows:

- a. Sunday Spring schedule will start at 2:00 PM for 2 races. Starting on May 4 - June 29.
- b. Wednesday evening Summer schedule will start July 2 - August 27. Races will start at 7:00 PM for 1 race.
- c. Saturday Fall schedule will start at 2:00 PM for 2 races. Starting on September 6 - October 25.

### Race Committee:

Participating in RC can be a very interesting experience, however, if you have no desire to race, but you don't mind getting out on the water and watching boats complete the course that you laid out...then come on out. We're always looking for an extra hand on the RC boat even if you've not gone through RC training. At this time we have a good portion of the race day RC filled, but still have a few more days that need RC to sign up for the 2014 race committee. So contact Randy Malcom to schedule your RC day: 733-1049 or [rdmalcom@att.net](mailto:rdmalcom@att.net).

We will be holding a race committee seminar this spring. The date and time will be announced at a later date.

### In Summary:

Our primary goal is to encourage participation in what we as Sailors/Racers feel is a great sport. It is absolutely the best way to improve your sailing skills and will give you an objective when you get on the water. So...think about coming out and giving racing a try. It's not a difficult sport and it's fun.

If there are any questions at all, please contact Interim Race Chair Randy Malcom at 733-1049 or [rdmalcom@att.net](mailto:rdmalcom@att.net).

Thanks, Randy
