From the Commodore

WVSC Members,

Rolling out of June and into July. I cannot keep up with how time flies—don't blink! June was packed with activities: Summer Sailstice, Shrimp Boil, racing and the first session of STEP.

Seeing some of the fun decorating ideas for Summer Sailstice spurred Kathy and I to think of ideas for next year. I won't remember all involved, but thanks to everyone who helped on these events. These people volunteer to help make these things happen. Thank you!

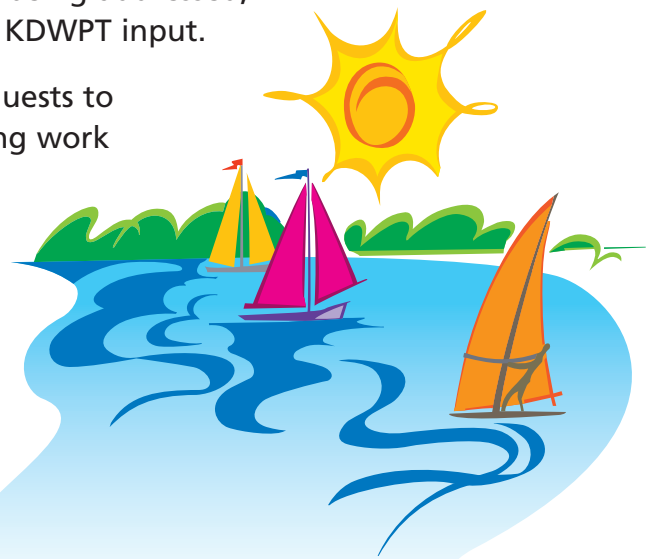

A bunch of stuff is happening in July, so check the website and newsletter for what's going on.

In other club business we have worked with the KDWPT in regard to the letter sent in late April. KDWPT has extended the removal date of the box truck bed until 7/31/14. This allows STEP to complete this year's sessions and plan on storage handling of the sailing equipment in the future. We truly appreciate the support from KDWPT to help support youth sailing in our state. Other items in the letter are being addressed, but we are relying on KDWPT input.

You will be seeing requests to participate in upcoming work parties. Please help where you can, as we need everyone's help!

If you have anything you'd like to discuss, give me a call/email.

Thanks, Randy

July 4th Activities

Teams Needed!

Cardboard Boats, Battleship Edition

Each team will be provided with cardboard boxes and one roll of duct tape. Bring your own tools and life jackets (and paddles/oars if you have them). We will have a “skippers” meeting at 1:30 PM. At 2:00 PM, each team will start and will have one hour to complete their boat.

After the one-hour build time, all teams will float their boats (with one or more people in each of them). The boat that stays afloat the longest will be the winning team. However, the main objective is to have a lot of fun participating or watching.

Ties will be broken by water balloon wars.
Water balloons will be provided.

Ice Cream will be provided afterwards.

Please call Ernie Condon at 640-8951 to sign up so we know how much cardboard and duct tape to bring.

Bring your **model sailboats** out to the lake. If you don't have one, come and try ours! You can't hurt them, and they are a lot of fun!

Plan to be there at 1:00 and we will have fun while the cardboard boat teams are building their boats.

Ahoy Mateys!

**THERE BE TALK OF
BLACK-HEARTED PIRATES
ON EL DORADO LAKE.**

JULY 5TH 1PM

**Gather at Pirate's Cove at 12:30 for instructions.
Ships set sail at 1pm.**

Any crew (**watermelon**) lost at sea must be rescued and returned to Pirate's Cove!

Arm yerselves with yer water pistols and water ballons (biodegradable) to blast the pirates as their ships lay at anchor.

**Come dressed like
Pirates or as ye be.**

You and your crew can end the day with all the Watermelon you can eat.

And Ye get to say ARRRR a lot.

WVSC RACING FOR 2014

To all of the WVSC members:

A contingency of the WVSC Racing Community met in early February and agreed upon the 2014 racing program and schedule. No major changes, with the exception being having one race day per week throughout the race season.

No changes to the following:

1. Portsmouth handicap with wind speed factors
2. 5-minute start sequence
3. Separate starts for keelboat & centerboard fleets
4. No courses set through hazard areas
5. 3-boat minimum to make a race
6. **Scoring:** Club Championship using race scoring "Percentages of Boats Beaten" per US Sailing and as used 2012 at WVSC. This system automatically encourages participation (no participation bonus needed) and encourages participation outside your comfort zone.
7. **Scoring/Participation:** Club Championship - Keel & Centerboard
 - a. Throw-outs – 1 race in 7 race participated in.
 - b. Minimum participation to win championship is 8 races and or 35% of all races sailed or whichever is greater.
8. **Long Distance Race**
 - a. 1 Per Month max at R/C option
 - b. Any regular race with wind from 190 degree +/-15 degrees
 - c. Down to "Dam" and back with optional reaching mark.

Race Schedule:

We will have three series: Spring, Summer and Fall. All races will count towards the club trophy for keel and centerboard boats. The racing schedule is as follows:

- a. Sunday Spring schedule will start at 2:00 PM for 2 races. Starting on May 4 - June 29.
- b. Wednesday evening Summer schedule will start July 2 - August 27. Races will start at 7:00 PM for 1 race.
- c. Saturday Fall schedule will start at 2:00 PM for 2 races. Starting on September 6 - October 25.

Race Committee:

Participating in RC can be a very interesting experience, however, if you have no desire to race, but you don't mind getting out on the water and watching boats complete the course that you laid out...then come on out. We're always looking for an extra hand on the RC boat even if you've not gone through RC training. At this time we have a good portion of the race day RC filled, but still have a few more days that need RC to sign up for the 2014 race committee. So contact Randy Malcom to schedule your RC day: 733-1049 or rdmalcom@att.net.

We will be holding a race committee seminar this spring. The date and time will be announced at a later date.

In Summary:

Our primary goal is to encourage participation in what we as Sailors/Racers feel is a great sport. It is absolutely the best way to improve your sailing skills and will give you an objective when you get on the water. So...think about coming out and giving racing a try. It's not a difficult sport and it's fun.

If there are any questions at all, please contact Interim Race Chair Randy Malcom at 733-1049 or rdmalcom@att.net.

Thanks, Randy
