## From the Commodore

WVSC Members,

The club house is open for business! Thank you Wednesday morning breakfast club (WBC) and others that came by Wednesday, 4/16, and Friday, 4/18, to get the repaired sewage tank in place and operating, getting the water turned on, taking care of the leaks, and repairing the hot water heater. Also, of course, thanks to those who came to the work party Saturday, 4/19, to clean up the club house. Many hands make a big job easier and quicker. Thanks, Zak, for organizing this.

By the time you receive the May Windword two club events will have occurred. First, the club meeting to discuss issues from the annual meeting and/or whatever is on your mind regarding WVSC, and second, our first social. I'll report on the meeting in the June newsletter.

Good news from the committee working on the club power boat. Instead of replacing our current boat, they've gotten the current boat operating much better and we are hoping to get a few more years out of it. This will help save the club a considerable amount of dollars. Thank you Ed Webb, Gary Mackey and Billy Clark. Also additional thanks to Billy and Gary for reworking the upholstery — it looks so much nicer!

And, oh yeah, RACING is here! Starting May 4th!

I really believe we have the makings for a great season. Based on what we built on in the 2013 season we should expect good participation. I will be sending a notification of the race committee training meeting.

You will be seeing requests to participate in upcoming work parties. Please help where you can, as we need everyone's help!

If you have anything you'd like to discuss, give me a call/email. Looking forward to the 2014 sailing season.

Thanks, Randy

## MAY 31 LONG DISTANCE SAIL

This is WVSC's first fun sailing event of 2014. The long distance sail has become an annual event and everyone is encouraged to participate regardless of your sailing skills. It's a 3 hour fun sail (race) that begins and ends at the far end of "B" dock. Delayed start times are calculated by using the PHRF handicap system and sometimes a Skipper handicap is added as required to even up the playing field. The main objective here is fun!!

### 9:00 AM

Sign In & Skipper Meeting  
Coffee and Donuts will be provided

### 10:00 AM

First boat out

### 1:00-ISH

Post sail gathering  
(After the last boat returns)  
Refreshments will be served

## BOY SCOUT TROOP 533 SAILING CAMP OUT MAY 17 • 2014

Andover Troop 533 is looking forward to a Saturday of sailing with members of the Walnut Valley Sailing Club. There will be approximately 20 scouts and adults participating in this event. I invite the members of the club to show the scouts the joys of sailing. With any luck we'll have more wind than in 2011, the last time Boy Scout Troop 333 sailed with WVSC. I would like to be able to have enough boats so that no more than three scouts and adult leaders are on any boat. The more boats, the merrier for all.

In order for a scout or adult to participate in watercraft activities each needs to be able to swim at least 100 yards and to float. The Boy Scouts call this a Blue Swimmer. Any scout that is not a Blue Swimmer will not be allowed on the camp out. I do not expect the scouts to have their own Personal Flotation Device. The rules of Safe Scouting also require the scouts wear a Personal Flotation Device while on the water.

I would expect none of the scouts or adult leaders to have any sailing experience. This is your opportunity to show them why we enjoy the sport of sailing.

Our plan is to be at the shelter by 9:45 AM Saturday morning. At this point the boat owners meet us at the shelter, or we can meet in clubhouse, and we will divvy up scouts and boats. Each scout will bring water and a sack lunch. It is the boat owner's determination as to whether to eat on their boat or at the shelter.

Sailing should be finished around 4:00 PM Saturday afternoon

I will be on shore while the scouts and other adults are on the water.

Boy Scout Troop 333 sincerely appreciates the support received, past and present, from the members of the Walnut Valley Sailing Club!

Please confirm your availability to help with this activity by May 4. If you have any questions, please contact me at 733-2689 or 393-3569 or by email at [rfugit@sbcglobal.net](mailto:rfugit@sbcglobal.net).

Again, thank you for your support.

## WVSC RACING FOR 2014

### To all of the WVSC members:

A contingency of the WVSC Racing Community met in early February and agreed upon the 2014 racing program and schedule. No major changes, with the exception being having one race day per week throughout the race season.

### No changes to the following:

1. Portsmouth handicap with wind speed factors
2. 5-minute start sequence
3. Separate starts for keelboat & centerboard fleets
4. No courses set through hazard areas
5. 3-boat minimum to make a race
6. **Scoring:** Club Championship using race scoring "Percentages of Boats Beaten" per US Sailing and as used 2012 at WVSC. This system automatically encourages participation (no participation bonus needed) and encourages participation outside your comfort zone.
7. **Scoring/Participation:** Club Championship - Keel & Centerboard
  - a. Throw-outs – 1 race in 7 race participated in.
  - b. Minimum participation to win championship is 8 races and or 35% of all races sailed or whichever is greater.
8. **Long Distance Race**
  - a. 1 Per Month max at R/C option
  - b. Any regular race with wind from 190 degree +/-15 degrees
  - c. Down to "Dam" and back with optional reaching mark.

### Race Schedule:

We will have three series: Spring, Summer and Fall. All races will count towards the club trophy for keel and centerboard boats. The racing schedule is as follows:

- a. Sunday Spring schedule will start at 2:00 PM for 2 races. Starting on May 4 - June 29.
- b. Wednesday evening Summer schedule will start July 2 - August 27. Races will start at 7:00 PM for 1 race.
- c. Saturday Fall schedule will start at 2:00 PM for 2 races. Starting on September 6 - October 25.

### Race Committee:

Participating in RC can be a very interesting experience, however, if you have no desire to race, but you don't mind getting out on the water and watching boats complete the course that you laid out...then come on out. We're always looking for an extra hand on the RC boat even if you've not gone through RC training. At this time we have a good portion of the race day RC filled, but still have a few more days that need RC to sign up for the 2014 race committee. So contact Randy Malcom to schedule your RC day: 733-1049 or [rdmalcom@att.net](mailto:rdmalcom@att.net).

We will be holding a race committee seminar this spring. The date and time will be announced at a later date.

### In Summary:

Our primary goal is to encourage participation in what we as Sailors/Racers feel is a great sport. It is absolutely the best way to improve your sailing skills and will give you an objective when you get on the water. So...think about coming out and giving racing a try. It's not a difficult sport and it's fun.

If there are any questions at all, please contact Interim Race Chair Randy Malcom at 733-1049 or [rdmalcom@att.net](mailto:rdmalcom@att.net).

Thanks, Randy

# WVSC 2014 SUMMER ADULT SAILING PROGRAM

# Come Sail With Us

Bring a friend, yourself or the whole family... The Walnut Valley Sailing Club is offering USSA certified sailing instruction this summer in a fun, non-competitive sailing environment through our STEP program. We welcome all adults from absolute beginners to seasoned racers. Our fleet includes: Capri 14.2's, Sunfish, Lasers, Sonar and Catalina 22 & 25's. Everyone will learn safety on the water, rigging, tacking, jibing, knot tying, right of way rules and so much more. Centerboard & keelboat classes are on the water and in our beautiful clubhouse at El Dorado Lake.

**Prerequisites:** Must be 18 years or older and be able to swim 25 yards with a lifejacket. (Students may be 15-17 years old if accompanied by an adult). No previous sailing experience required.

**Per Kansas law:** *Anyone born on or after Jan. 1, 1989 must have Kansas boating education certification card to participate in the WVSC course (24 yrs. old or younger). KS boating certification can be obtained online at: [www.boat-ed.com/kansas/](http://www.boat-ed.com/kansas/)*

**Equipment requirements:** Participants are required to provide their own life jacket (PFD) which is age/weight/size US Coast Guard approved. Sunscreen, hat and water shoes are also required.

**Basic Centerboard Sailing Course:** Covers beginning, intermediate and advanced sailing techniques in a centerboard boat that includes rigging, docking, tacking, jibing, points of sail etc., basic rules of the road, safety, weather and nomenclature. Everything you need to know to sail your own boat safely and with confidence.

**Basic Keelboat Sailing Course:** The keelboat course leads you through the essential principles of safe, confident day sailing. It covers basic sailing concepts, boat handling, docking, anchoring, safety and emergencies, weather and basic navigation. The keelboat course requires a minimum of three students per boat in both levels; Basic and Advanced Keelboat Sailing.

**Prerequisite for Advanced Centerboard or Keelboat instruction:** You must have the Basic Sailing Course or equivalent sailing experience.

**Schedule:** 3 days per week (Mon, Tues, Thurs.) for 3 weeks, 6 to 9 PM, 2 sessions:

**1st session** – June 9 through June 26

**2nd session** – July 7 through July 24

**Class Size:** 10 students per session

**Cost per Student:**

**WVSC Members** – \$25 non-refundable registration fee, **Plus** \$155 class fee. Total cost: \$180.

**Non-members** – \$25 non-refundable registration fee, **Plus** \$255 class fee. Total cost: \$280 (Accompanying Spouse or family member \$180).

**Fee Includes:** USSA "Start Sailing Right" or "Basic Keelboat" instruction manual, instruction, use of a Catalina 14.2 (if certified) boat for the summer, T-shirt and certificate. Includes a Provisional membership to Walnut Valley Sailing Club, which begins at the beginning of class and continues for the remainder of the year.

**Boats Used:** Capri 14.2, Sonar, Catalina 22 and Catalina 25's, Lasers or Sunfish with Instructor approval.

**Registration and Questions:** Please call Tedd Blankenship, 316-775-1064

# WALNUT VALLEY SAILING CLUB BOARD of GOVERNORS MEETING

7:00 PM • THURSDAY, APRIL 10, 2014 • CANDLE CLUB

*Minutes Subject to Correction*

**Attending:** Genee Kubin, Geri McFadden, John Aschbrenner, Dave Leiker, Ernie Condon, Gary Pierce, Randy Malcolm, Brad Oblak. **Absent:** Zak Kissak

Planned location is 5'4" long and inside the clubhouse. BOG provided an OK to proceed at these prices.

## 1. Call to Order: 7:04 PM

- a. Quorum
- b. Opening remarks: None

- f. **Sewage holding tank at the club house:** Tank at club; looking for opportunity to install. Zak

The purchased tank that we received was the wrong type and will not work. The old tank has been repaired by Southern Yachts. We are trying to get a refund on the purchased tank. Randy to follow up with Dave Bonifield in the next day or two.

## 2. Meeting Minutes:

- a. **March Minutes:** In the minutes "mediated discussion group" needs to be change to "moderated". Motion to approve. Seconded. Approved.
- b. **February minutes:** Those published were the wrong version. The approved version will be submitted and published.

- g. **Replacement of decking on docks:** Brad

Brad got an estimate to replace 20% of the decking at \$23,500 or 100% at \$118,000.

Competitive bids may be investigated.

Because of this high cost, a smaller scale approach is also being investigated.

## 3. WVSC Website revision status: James Klassen/Fred Harvey

- a. Dave Leiker provided an update.

Fred Harvey is continuing to populate the website. Member directory is not uploaded yet. Membership Application is not uploaded yet.

- h. **Wheels on dock walkway replacement:** Brad

Completed: New wheels have been installed and properly aligned.

## 4. Action items from prior meetings:

- a. **Kubick boat:** Research WVSC options on how to move forward with WVSC removing the boat: Email sent, but to date no response. Will need to proceed with more aggressive means to resolve current situation.

Notice sent to on 3/31/14: Mr. Kubick if there is no response within 10 business days WVSC would start legal action. Randy/Ernie

A home number has been found, and a voice mail has been left. Documentation is being gathered to support legal efforts to resolve the issue.

- i. **Exit ramp east side of club house replacement:** Zack

No report.

- j. **AC men's restroom does it need replaced:** Zack

Zack will purchase.

- k. **New form for listing work credits:** Geri

Geri provided hard copies. A digital version will be emailed.

- l. **Flotation B dock:** Brad Discussion on the east end slips that have less flotation than they need. An estimate was not obtained while the wheels were repaired. Brad Oblak will follow up with John Aschbrenner with contact information.

- m. **Independent audit STEP & WVSC books:** Randy

Since it is tax season, all auditors are busy, so this will be pursued after April 15th.

- n. **Newsletters on website:** From discussion with Fred not an issue with not having newsletters on; it was the old website link. Fred is working on getting everything working on new website. Once that is complete we will see what is missing. Randy

If we find that we do not have all the newsletters, James Rix will scan them in.

- o. **Additional electrical outlets in dry storage:** Being worked by dry storage committee chair John McCabe

No change. We have the material but it is not installed.

- p. **Website:** Payment to James Kalassen. Initial payment made, any pending payments? Genee

No update.

- q. **Commodore message for website:** Randy

No update.

- r. **Club defib unit:** Geri will check on its status, and the possibility of getting more people trained.

- d. **New club power boat/or refurb of current bower boat:** Looking at working on current boat. Brad

Cushions are being worked on (new vinyl). Motor has been greatly improved by repair (\$600). Other repairs are in work. Boat will plane now, and engine will run 5000rpm. The boat is back out to the lake now. Thanks to Ed Webb, Gary Mackey, and Billy Clark for a lot of work.

Some discussion on the possibility of storing the boat on a hydro-hoist. The State Park may allow us to use part of the Concessionaires Fee to cover the cost, in return they could use it as a rescue/safety boat. All this is still in the investigation stage — no decisions have been made.

- e. **Ice storage and usage club house:** Geri

May be able to get a freezer for less than \$200 to \$400 (scratch & dent discount).

**s. Dry storage hoist:** Gary

Originally talked about \$4400 for installation. Further investigation shows that with club labor we can install it for about \$750. Current approvals from the State is to allow the hoist, but we have not received approval for painting and sanding. The Corp of Engineers will need to provide that approval. No motions have been made to the BOG yet to proceed with installation. To be added to the Long Range Plan. Genee will check to see if it will impact our insurance.

**t. Club House addition:** Gary

The addition discussed would be an approximately 10'x15' extension to go on the west side, towards the north end. Would be accessible from inside the club house. Estimates to do this (with volunteer labor) is about \$10,000. Move this item to Long Range Planning .

**u. Additional power line dropped off power pole:** David

Cancelled — to be removed from agenda.

**v. Rule changes for bubblers:** Genee and Brad to work. Draft rule change is in process. This is being compared to Cheney process.

**w. Rule change:** All boats must have liability insurance.

Sharon Lewis reported that boats 25' and under are covered by homeowners insurance policies. More research will be done. Being considered for a rule change for next year. Geri and Randy will research further.

**5. Treasurers Report:**

**a. Treasurers Report**

- Revenues look like they will be close to the budget estimates (maybe slightly less).
- Three outstanding membership dues. The memberships are being terminated. Seven outstanding slip leases.
- Motion to approve. Seconded, approved.

**b. Vote on new membership applications**

No new membership applications
