## From the Commodore

*Ahoy Sailors and Socialites,*

From the strong showing of the first social of the year, it looks like we are off to a very big year at Walnut Valley Sailing Club. More than 90 strong were in attendance for the Spring Fling, enjoying outstanding and impressive BBQ with all the fixn's, festive decorations and a lively atmosphere provided by our hosts Bud and Renee McCurry, Patti and Gary Mackey and their team of volunteers. A special thanks to Bruce Ward for his smooth roadhouse rhythms that made our floating club quite lively and warm.

We had a number of new members in attendance and also extended a warm welcome to a guest of the club for the evening and the week. This is a great opportunity to check out the facilities and membership. I would encourage you all to bring a guest and let them see what we are all about with a sailing club on the prairie.

For the hardier members it looked as though we even had some who took the opportunity to overnight on their sturdy craft (I suspect while wisely moored to the dock). Some probably more comfortably than other, depending on the BTU output of their heating unit.

There is little doubt in my mind that this group enjoys the social aspect of the club. Now we need to get to the sailing. So far this year the weather has not been our friend in Kansas. We may be setting a record for no tornadoes, which is good, but we certainly are not lacking for wind. And what's up with the temperatures? One hundred degrees Fahrenheit during the week and then for the weekend I feel like we're in Maine about to get hit by a nor'easter. Regardless of these minor setbacks, on Saturday a small but hardy dozen soles braved the elements (from inside the club) to advance their knowledge of sailing. Part two of an excellent racing clinic was put on by Ernie Condon from the sailing activities committee with the expertise of Gary Pierce and Gene Nold. You couldn't help but come away with some useful practical sailing knowledge. I would even go as far as saying even cruisers would get value from this rich knowledge share. It's amazing what sailing knowledge depth exists here in the Great American Prairie. I encourage you to come on out and share.

Given the aforementioned weather, we didn't have the opportunity to get out on the water and get in any practice. As such, we will reschedule that part of the training for a date in June. At that time we also hope to get in a Race Committee clinic to get everyone more comfortable with the equipment and procedures necessary to put on a great race when your chance comes.

# Sailing Activities

## Summer 2011

This year is shaping up to be a busy year at WVSC. Once the season gets rolling, it appears that there will be few weekend days that there isn't something to do at the lake.

The Sailing Activities Committee met and added many events to the club calendar to compliment the plans from Racing Activities and Social Activities committees. We have a lot of fun organized for racers and non-racers alike, for all members of the family, and to introduce people to the club.

The sailing events planned are listed below. We have some old ideas and a surprising number of great new events.

Anyone interested in sponsoring (or helping with) an event should call Ernie Condon, 630-8951 (erniec53@gmail.com). We have most of the details figured out, and just need some helping hands (nothing very hard at all, and certainly not complicated).

**Moonlight Sails:** After each social.

**June 4: Swap Meet** (Gene Plehal sponsor)

Same as last year – everyone bring things to sell/trade with fellow sailors. Will be advertised at Ninnescah as well.

**June 5: Women's/Youth Regattas**

**June 11: Long Distance Race #1** (Mackeys sponsor)

Instructions to be same as last year and provided as race approaches. **Cucina Italiana** (Dave and Gwynne Bonifield) to follow.

**June 12: Regular Race** (Rob and Ginger Brown)

**June 18: Regular Race** (Gene Nold)

**June 19: Sunday Sail** (to include "Invite a Friend to Sail" and "Invite your Father to Sail on Father's Day"). A sail followed by ice cream sundaes and introducing friends.

**June 18: Regular Race** (Ernie and Ardie Condon)

**July 4: Cardboard Boat Race and Radio-Controlled Sailing** (Ernie sponsor)

Each team will be given a few cardboard boxes and a roll of duck tape. One hour to build something that floats. Winner is the person who can paddle out the furthest before it sinks.

In the meantime, we will be sailing Radio-controlled sailboats for fun, sharing with and helping kids of all sizes.

**July 9: Pirate Day**

Same theme as last year: Boats anchored on the water with prizes for answering clues, all while a water fight is underway. Everyone is invited to wear pirate costumes, etc.

**July 17: Photo Day** and honoring STEP Graduates

A boat will be stationed on the lake with a digital camera. All club members, and all 2011 STEP graduates, are encouraged to sail by and get their photo taken on the water.

**July 23: Long Distance Race #2**

Instructions to be same as last year and provided as race approaches. **Shrimp Feast** (Paul and Beverly McCausland)

July 31: Alternate date for long distance race.

**August 6: Long Distance Race #3**

**August 13: Feast of the Full Moon**

Evening sail, full moon

August 14: Alternate date for long distance race

**August 20: Triple Tennis Toss** (John Carter sponsor)

Instructions to be provided as event approaches.

**September 17: Long Distance Race #4**

**September 24: Chili Cookoff** (Ginger Brown and Cheryl Seward) Regular sail before the party.

**Date TBD: Sail with Friends of Eldorado Lake:**

WVSC members will be invited to come and give a sailboat ride to members of the Friends of El Dorado Lake organization. Gene Nold has a cookout with these folks each year, this year we will add sailing to the event.

**Date TBD: Blind Sailing** (Billy Clark sponsor) One person on each boat will be able to see. All others on the boat will be blind-folded. Marks will be set and sailed around. The sighted person will not be able to do any physical work (no steering, grinding, tailing, etc.) only verbal instructions (except emergency).
