From the Commodore

Ahoy Sailors!

We just finished up what was likely the most exciting race day of the year at WVSC. Nine boats were on the water Sunday, the 22nd, with plenty of wind. Very close quarters, quick boats, and some top notch sailors. Several close calls, but only one minor contact between boats. Expert racers and beginners alike were still excited after the races.

And, as we were sitting on the dock sharing sailing stories, we hear that the America's Cup Team USA had won two more races, adding to what may be the biggest comeback ever seen in the Cup's history. By the time you read this, it will all be history—I can hardly wait to see the final results. The Cup boats hit over 55 mph on the Bay!

Fall temperatures are certainly here as well. Some of the best sailing of the year can be had in the fall, both with winds, temperatures and wildlife.

Many club members will be showing their teamwork and camaraderie as they start working together to pull boats out for the season. It reminds me of how great our members are—always a helping hand to be found.

The Board of Governors (BOG) will be extremely busy in the next few months. Preparations for the Annual Meeting are always intense this time of year. Final committee reports, financial reports, nominating new board members, etc., keep us very busy. Then, after the voting at the Annual Meeting comes officially indoctrinating the new BOG and kicking off a new fiscal year.

Oh yes...I did get to do some (a few, two hours actually) sailing in San Diego. Nothing like the Cup in San Francisco, but still something to experience. And now, I am glad to be back home with all those great members at WVSC. The day after I got home, I got to experience the best race day of the year! I also heard lots of compliments on the September social that I missed.

As always, fair winds and following seas...

Ernie Condon
Commodore

October BOG Meeting

The date of the October BOG meeting has been moved from October 10, 2013 to October 3, 2013, 7:00 PM, at 1241 Burning Tree Drive, Wichita.

All committee reports and work credits need to be completed and submitted at that time.

Seasonal Water Shut-off

The date of the water shut-off has not yet been determined. However, do not plan on the water being on after about Tuesday, October 15th—if you want to clean your boats, do not count on the water being available the weekend of October 19-20th.

GUIDELINES FOR SOCIAL FUNCTIONS

Members who do not cancel the Wednesday prior to a social will be billed. Please refer to the guidelines in the WVSC handbook; Page 4, number 3. Reservations are firm. *"Those making reservations and not appearing at the event will be billed by the Treasurer. Reservations may be cancelled no later than the Wednesday prior to the event unless otherwise noted in the event notice."* Of course, there are emergencies and illnesses which could arise unexpectedly. Please contact Ardie Condon, calling chair, at 733-8920.

The decision to follow this policy is due to the overage of food purchased for each social when guests do not show up. Certainly, this application of club policy is understandable. Furthermore, we have decided that this year we will NOT offer work credits for working the socials. However, you only need to work 1 and 1/2 hours in order to receive a free dinner at the social. The use of both work credits and free meals was causing a nightmare for our money handlers and it has been requested that we do one way or the other.

WVSC RACING SCHEDULE & RACE COMMITTEE 2013

See the race day/race committee sheet below to see who has signed up for race committee and what race days still needs RC. If you plan to race this season, you also need to do RC a minimum of two race days. Please call or email me to let me know what race days you would like to cover RC. I will keep the master list. - **Randy Malcom** | 733-1049 or 250-9275 | rdmalcom@att.net
