## From the Bow Pulpit

We officially opened our Racing Season with the first regatta yesterday – two have been “blown out” so far - and the opening of our Social Season last night (May 19) with the Blessing of the Fleet and a new members recognition dinner. When members signed up for supper, they received the 2007 Handbook insert. Grandma's family-style supper was catered by the Cassoday Café. It was mighty good! About 90 members and guests feasted on fried chicken, ham and all the fixin's. A Big WVSC Thank You to the Chisms and Carlinis for hosting this evening.

We also celebrated the lake level at 1 foot above pool – the lake reached pool around May 09 and has seemed to level off over the last few weeks. It is time to get out to the lake and enjoy the sailing.

We also have a new addition to the Activities Center – a wind direction and speed indicator. The Breakfast Club installed it on May 16 with help from Jerry Brady, Gene Plehal, John McCabe and your Commodore. The sending unit is on the Dry Storage building with the console located in the display case in the Activities Center. It provides members with a quick look at the wind conditions for planning your sail. It also displays the outside temperature and relative humidity among other things. The Board approved the purchase at the April meeting. A little experience will help us put it to better use in the future.

Your Social Committee (Marilyn Grisham and Debbie Chambers) has made plans for some real great parties in the coming months with the help of a number of member hosts. If you haven't signed on yet and want to be a part of this excitement, contact these ladies and they will put you to work. Watch your newsletters for details on our monthly activities.

A special vote of appreciation goes out to Andy and Beth Rizza, new members and owners of Stone Creek Nurseries, for donating plantings for our little sailboat planter at the entrance to the walkway and picnic shelter. They have also promised some additional flowers for the boxes located on the walkway in front of Coopers Landing. The flowers should be blooming soon. Tell them Thanks or go by and see them at their El Dorado location.

As we start gearing up for the season, it doesn't hurt to throw in a few reminders about safety, both on the water and around our beautiful club facilities. Please review your new 2007 Handbooks for rules and safety guidelines. If you did not attend the May 19th social, your Handbook has been mailed to your home address. Please let our Membership Committee know if you have not received your copy.

And now for the safety and security reminders – children should wear a PFD while on or around our docks and walkways (this is a club rule as well as a good judgment and boating policy). Shoes are a “must” when entering the water due to the zebra mussels; they're sharp. If you notice the Dry Storage yard gate open and no one is around, LOCK IT before you leave the club area to go sailing or to go home. The same with the Walkway Gate - better to close it (it locks when closed) when you go sailing or go home than to chance a break-in or theft of equipment – items seem to “walk off” when left unattended. All members have the club combination to open our gates, so, when in doubt, CLOSE AND LOCK IT!

I look forward to seeing you at the lake or on the water at one of our next regattas, cruising on the lake, or at a social event. Have fun and be safe.

## What A Deal!

We are in the process of getting some new chairs for the clubhouse and are discarding the white plastic ones. If you would be interested in buying some of these @ \$2.00 each, please contact Jerry Brady @ 775-3163 or David Reynolds @ 778-1056.

## Save Money for the Club

If you are receiving the Windword both in hard copy by mail and electronically by E-mail, please let me know so I can drop you from the hard copy mailing list. That will save the club a little money in printing and mailing costs. If you are not now receiving the Windword by E-mail and would like to, please let me know.

Some of you may not know that you can also read the Windword each month by accessing the club's website at [www.wvsailing.com](http://www.wvsailing.com). The current issue is always posted there along with past issues for several years. Check it out. Thanks.

## ***Racing Roundup***

After two cancelled regattas, good fortune smiled upon the WVSC Racing Program and furnished not just a day of racing on May 19th, but also a lake full of water to go along with it. Spring rains at long last brought the lake up to normal pool level plus an extra foot to boot.

The weather forecast was calling for winds to strengthen through mid-day, with some gusts likely into the mid-twenties. When Gene Plehal, Jerry Brady and Tedd Blankenship set up the course, winds were 10 to 12 miles per hour, but quickly built to an average of 16 mph for the morning race.

Four centerboard boats had registered, but after a short taste of the gusty winds and building swells, abandoned the racing and scurried back to the cover of the cove where they played through the day.

Seven brave keelboat crews answered the starting signals and staggered onto the course. The windy conditions, averaging 16 miles per hour with gusts over 20, caused Burgin and Wasson to retire with equipment failure, while the remaining five boats completed the race. Five boats came out for the afternoon races, but two more, McCausland and Brown retired after race number 2.

### **RACING CALENDAR FOR JUNE AND JULY**

<b>June 3</b>	<b>Sunday</b>	<b>Club Regatta</b>
<b>June 16</b>	<b>Saturday</b>	<b>Club Regatta</b>
<b>July 8</b>	<b>Sunday</b>	<b>Club Regatta</b>
<b>July 21</b>	<b>Saturday</b>	<b>Club Regatta</b>

The results showed consistent performances from Brett Warfield who finished first in all three races and Arnie Kroupa with three seconds. Ron White came out third overall. The detailed race results are summarized elsewhere in this issue.

The Race Committee is pleased with the participation and outcome of our first regatta. We encourage all sailors to join us for the June regattas, which are scheduled for June 3rd and 16th.

In other racing news, the Americas Cup competition is underway. Sadly, the sole American entry, BMW Oracle was eliminated in the challenger's semi-final by the Italian boat Luna Rossa Challenge. In the other Challenger semi-final, the New Zealand Emirates Team leads the Spanish team Desafio Espanol, 4 to 2.
