From the Commodore

Ahoy WVSC Sailors,

The club area is now looking more like sailing season as boats continue to be launched and clubhouse activity increases. The WBC (Wednesday Breakfast Club) meets every Wednesday at 0900 for breakfast and some work activity after. The SBC (Sunday Breakfast Club) is back to their phenomenal breakfasts at 0930 +/- (kinda depends on how good the boat sleeping weather is), and there is often a group for breakfast and dinner on Saturday. Plan to join the crowd and make these activities part of your sailing schedule.

Despite high wind and threatening weather, the May social event, Italian Dinner, was a great success. 53 members and guests enjoyed a social hour with antipasto followed by lasagna dinner served restaurant style. I want to thank all the social functions committee members and helpers who planned the event, prepared the food, worked in the kitchen and served. We'll try for cloth napkins next year.

The BIG event for EVERYONE is the WVSC 75th Anniversary Party on June 16.

Sailing Activities committee, Brad Oblak and Ted Blankenship, will host the sailing activity. They have convinced me we cannot get 75 boats on the water, but they will have a special event to get 75 sailors on the water. Tamy Fonger from the Social Functions committee will host a BBQ dinner catered by Hog Wild. We plan to have some slides and pictures of club over the years set up in the clubhouse. Please let me know if you can add anything of a historical nature.

You may notice a brass adapter on each of the dock water faucets. They are vacuum breakers and serve a function similar to a backflow valve. They prevent lake water from being drawn in if a hose were left in the water and suction was somehow applied to the water supply system. These are now required by the water district so please do not remove them.

May there be fair skies, excellent wind, kind spirits, and superior sailing ahead.

– Dave Bonifield

2012 SUMMER ADULT SAILING PROGRAM

Come Sail With Us

The Walnut Valley Sailing Club/STEP program is offering two sessions this summer.

We will teach you how to sail or improve your sailing abilities. We offer both Basic Keelboat and Basic Centerboard classes. Advanced classes in Centerboard and Keelboat may also be available.

So come sail with us this summer for a GREAT time on the water. Our adult fleet consists of: Catalina 14.2's, Sonar, Catalina 22 and Catalina 25's.

CLASS STRUCTURE

Age Prerequisites: Must be 18 years or older, have an interest in learning to sail or improve your sailing abilities and swim 25 yards with a lifejacket (PFD). (May be 15-17 years old if accompanied by an adult).

Equipment requirements: Participants are required to provide their own life jacket (PFD) US Coast Guard approved age-appropriate size, sunscreen, hat and water shoes.

COURSE CONTENT

Basic Centerboard Sailing Course

Covers beginning, intermediate and advanced sailing techniques in a centerboard boat including: boat handling skills, boat related skills, basic rules of the road, safety, weather and nomenclature. Everything you need to know to sail your own boat safely and with confidence.

Basic Keelboat Sailing Course

The keelboat course leads you through the essential principles of safe, confident day sailing. It covers basic sailing concepts, boat handling, docking, anchoring, safety and emergencies, weather and basic navigation. The keelboat course requires a minimum of three students per boat both in Basic and Advanced Keelboat.

Prerequisite for Advanced Centerboard or Keelboat instruction

You must have the Basic Sailing Course or equivalent sailing experience

Schedule: 3 days per week (Mon, Tues, Thurs.) for 3 weeks, 6 to 9pm, 2 sessions
1st session: June 11 through June 28
2nd session: July 9 through July 26

WVSC Racing for 2012

To all of the WVSC members:

A contingence of the WVSC racing community met in early Febuary and agreed upon the 2012 racing program and schedule. That being said we agreed upon a few changes in an effort to simplify the racing schedule. The biggest change will be in a new handicapping system. The objective of the handicapping system is to level the playing field (race course) for all sailors. The scoring and handicap system is as follows:

No changes to the following:

1. Portsmouth handicap with wind speed factors
2. 5-minute start sequence
3. Separate starts for keelboat & centerboard fleets.
4. No courses set through hazard areas
5. 3-boat minimum to make a race

Changes to the following:

These rules are intended to make the Club Championship a meaningful achievement.

1. **Scoring:** Club Championship using race scoring "Percentages of Boats Beaten" per U.S. Sailing and as used 1995-2005 years. This system automatically encourages participation (no participation bonus needed) and encourages participation out side your comfort zone.

Score is the result of:

Boats Beaten / All Boats Faced = Result as a Percent

2. **Scoring/ Participation:** Club Championship - Keel & Centerboard
 - a. Minimum Participation 35% of all races.
 - b. Throw-outs – 1 race in 7.
 - c. Minimum Races to declare Championship is 8.

Handicap System

Many sports handicap participants – examples are horse racing with weight, and golf and bowling handicap scores. The reason is to keep the outcome of a contest in doubt when some participants are winning regularly. We agreed upon the following to spice up and enliven our racing and hope that more boats will participate and win some races.

Handicap Program

- a. All boats start even in race one.
- b. Portsmouth time is adjusted with time addition as follows:
 1. + 20 seconds for each first place finish
 2. + 10 seconds for each second place finish.

After a few races this will bring the fastest boats back into the pack. When other boats start winning, they will acquire time which will equalize boats and make our racing more interesting for everyone. It should also encourage participation. The accumulated handicap time for each boat will stay with that boat through out the 2012 season.

This concept is easy to administer and score and can be used to determine a Club Championship or would effectively identify a "most improved" boat.

For each race we will show the Portsmouth handicap finish and the New WVSC handicap scoring for the 2012 racing season.

The objective of this schedule is to:

- Avoid the rarely used, blustery Spring days in early April.
- Equalize Saturday and Sunday events for those with a preference.
- Increase participation by scheduling later in the day on Saturday to utilize Social functions and after race Saturday dinners.
- Increase participation with later Saturday start time giving more of Saturday for other activities before coming to the lake.
- Utilize the longer days in mid Summer for later Saturday races and evening parties/dinners.
- Simplify the schedule for easy remembering.

Long Distance Races:

- 1 Per month max at R/C option
- Any regular race with wind from $190^{\circ} \pm 15^{\circ}$
- Down to "Dam" and back with optional reaching mark
- 2 hour minimum – 3 hour max (2–2.5 objective)

The Schedule:

All 13 Saturday races begin at 3:30 / All 12 Sunday races begin at 2:00

Sunday (4 race days in April and May)

- April 29
- May 6, 20, 27

Saturday (13 race days in June, July, August)

- June 2, 9, 16, 23, 30
- July 7, 14, 21, 28
- August 4, 11, 18, 25

Sunday (8 race days in September, October)

- September 2, 9, 16, 23, 30
- October 7, 14, 21

Race Committee:

There will be a race committee seminar held on our first race day April 29 put on by Bob & Peggy Fugit starting at 12:00PM and culminating in putting on our first races of the season (hopefully).

Participating in RC can be a very interesting experience, so if you have no desire to race, but you don't mind getting out on the water and watching boats complete the course that you laid out then come on out. We're always looking for an extra hand on the RC boat even if you've not gone through the RC training.

In Summary:

We hope that these minor changes will encourage you to come out on one of our race days and give racing a try. Our primary goal is to encourage participation in what we as sailors/racers feel is a great sport. It is absolutely the best way to improve your sailing skills and gives you an objective when you get on the water. So think about coming out and give racing a try, it's not a difficult sport and...

it really is fun!

If there are any questions at all please contact either Steve Kubin (733-1295) or Randy Malcom (733-1049 / rdmalcom@att.net) race chair and co-chair for 2012.

Thanks, Steve and Randy

RE-SCHEDULED Blind Sail

NEW DATE:
August 8
10:00 AM

In the WVSC version of this international event, teams consist of 3 or 4 sailors on a boat, at least two of whom are blindfolded, and one sighted to serve as a guide. The helmsman must be blindfolded and steer the boat independently unassisted. The other blind sailor(s) serve as crew, primarily trimming the sails. The sailors work together as a team with verbal communication skills and accurate execution of maneuvers being the keys to success.

Come try your hand at this FUN and challenging event!

**Walnut Valley Sailing Club
Folks... You're Invited!**

**PLEASE JOIN US IN OUR
75TH ANNIVERSARY
SAIL-A-BRATION**

At 1:00 PM June 16th we will be gathering at the boathouse to decorate boats...and nope, it's not a contest and...nope you don't even have to have a boat. We would just love to have you and yours join in on the fun. We have come to the realization (sorry Dave) that we MAY not get 75 boats on the water, but we definitely CAN get 75 fine sailor folks on the water...and more.

The first 75 folks out on the water on a decorated sailboat will receive a free 75th Anniversary T-Shirt and maybe more. "Prizes and Surprises Semi-Galore" but only if you are out on the water. Bring your streamers, your crate paper, your imagination and join in on the fun.

Don't know anyone, don't have a boat? No problem, we'll take good care of you. Come on out...all board members will have a boat to be decorated and we would love to host you...
