From the Commodore

WVSC members,

We've just completed the 2013 sailing season and are embarking on 2014. With the holidays upon us our thoughts may be far from sailing, but we'll be readying our boats for 2014 before we know it. And, with this new season we are looking for committee chairs and volunteers for the committees. If you have interest in chairing or serving on a committee, please contact the BOG committee liaison noted in this newsletter. As you all know, WVSC relies upon our members to help make things happen, so please volunteer.

There were ups and downs in 2013, specifically beginning with the lake level on the down side. We finally received the much needed rain that got us back to pool. Over all, it was a very positive year, with many new members and great participation in our sailing, social activities and racing. Let's build on the positives and focus towards what we can do to move this club forward in 2014.

For those who attended the annual meeting, you know that as a club we were not at our best. We have a great club, and what makes it a great club is not the docks or facilities, but the members. I've made many good friends in the 23 years Kathy and I have belonged. The nice thing about friends is that you can have disagreements, but if you value that relationship, you figure out a way to work things out. So let's focus on why we are all at the club—sailing and the camaraderie typical of sailors. Let's build on what we have in common—sailing and why we love the sport. We have much invested in WVSC, so it's in our best interests to make this club work even better. This is why, as commodore for the new season, I would like to hear from you. Let me know what's on your mind.

I am looking forward to seeing all of you at the WVSC Christmas celebration at Crestview Country Club, December 7, 2013.

Thanks,
Randy

STEP Notes

STEP (Safety, Training and Education Program) is the WVSC program that offers learn to sail classes to youth 8-17 and adults. STEP is an 501(c) 3 organization and can receive donations which are fully tax deductible. Over the years STEP has received monetary donations as well as donations of boats that were refurbished by volunteers and sold with 100% of the proceeds going to help cover STEP's operating costs.

Donations are always used to minimize any dollars contributed to STEP by WVSC to cover STEP operating expenses. We are currently drawing to the close of 2013. If you would like to donate to STEP, please mail your checks (payable to WVSC/STEP) or information on your boat to STEP to:

Attn: STEP

Request from John Trumpower: Winter slip relocation. His boat will need to be moved by March 1, 2014, for the 2014 sailing season or when the lessee requires their slip sooner.

New member free social: The free dinner policy for new members for one social event was changed. Going forward, there will be a welcome event for new members only with the BOG once a year. For this year's Christmas social, new members will not be allowed to count that as their free dinner as there is significant cost involved in hosting the annual Christmas party at Crestview Country Club. The free social event was intended for lake socials only.

Kubik update: Mr. Kubik indicated that he would be pulling his boat. However, this has not yet occurred. Ernie will contact Paul Schye to see if he can contact Mr. Kubik at work. If this is not successful the board and WVSC will consider legal action to get the boat removed.

December Meeting Notice

December 12, 2013 at Steve and Genee Kubin's house.

Randy suggested that BOG look for a new venue to hold the BOG meetings.

The WVSC BOG encourages WVSC members to attend BOG meetings, but new items of business will only be addressed if on the agenda. Most issues or concerns of members should be addressed through the committee chair responsible for that members concern. If those items cannot be addressed to a mutual agreeable resolution then the board liaison should have that item added to the BOG agenda for discussion.

Meeting adjourned: 8:45 PM, Nov. 18, 2013.
