From the Commodore

Ahoy Sailors!

By the time you read this, we will have had our Shrimp Boil dinner, which is typically one of the biggest socials of the year.

As I noted in the "Extra Edition" of the commodore's column, the slips have really filled up over the last month. I have had many people tell me that they really like it at WVSC. The docks are very busy with smiling faces (and beautiful boats!).

Be sure to say hello to our newest board member, David Leiker. Dave's energy promises to be a major asset to the board and the club. Dave is replacing the highly respected and admired Ed Webb, as Ed moves on into retirement a little more (I am jealous). Ed, Lois, and Action Marine have been major assets to the area. We will still see them at the club, but will sorely miss their shop and support.

Racing has had a slow start (no pun intended), as the weather and all the new members settle in. We have finally been able to get a few races in, including one with a surprise heavy rain and a switch from light air to heavy white-caps.

The STEP program is about half way through its summer programs. The excitement on my grandson's face the day he came home from his first "solo" is beyond measure. You could hear him through the entire house when he called his dad to tell him.

All the kids in the STEP program this year receive boater safety training from the park rangers. Every single one of them in this first half passed the written exam—very impressive! For more information, see the minutes from the board meeting herein.

As always, keep a close eye on the social calendar, the sailing activities, and the racing schedule. There are lots of activities to join in the fun. One that has been very popular with the kids and family teams is the Cardboard Boat Races. This is coming up on July 6th, and will be hosted by yours truly.

Also keep an eye out for the work parties and committees—always places to help out with some much needed work. And continue to wish for rain.

Fair winds and following seas...

STEP UPDATE

BY TEDD BLANKENSHIP

Noel and all of his sailing compadres passed the Kansas Boater Safety Class and test. The safety class was conducted over two days (6 hours) of classes by three Wild Life and Parks Officers. Seth Turner (WL & Parks Manager for El Dorado Lake) lead the class. The test included 60 multiple test questions which were the same test-questions that you and I would be expected to know. The state does not have a "kids version" of the test, which they should. All of our kids passed the test and will receive a KS Boater Safety Certificate from the state of Kansas.

*** We have 40 Youth and 20 Adults signed up for our two Summer 2013 WVSC Sailing Sessions. We are at full capacity and have sailors ranging in age from 8 to 73 years of age.**

Agreed Upon Process with KDWPT and the Walnut Valley Sailing Club/STEP Program

For the purposes of providing clear guidelines for current and future STEP Administrators, I would like to confirm our agreement for the process to meet Kansas boater safety requirements as a part of our STEP sailing program. All students participating in the STEP youth sailing program must pass the Kansas Boater Safety Course.

KDWP&T boating instructors will conduct the 6 hour training course at the beginning of each sailing class. In conjunction with STEP instructors, KDWP&T boating instructors will administer the certification test at the end of the KDWP&T training sessions. Upon successfully completing the certification course, all students will be able to sail the Club owned sailboats subject to the requirements of KSA 32-1139 and the certification requirements of the STEP program.

INTERPRETATION: Any person born on or after January 1, 1989 may operate a sailboat on public waters in Kansas once they have passed the Kansas approved boater safety education course. Therefore, students possessing the Kansas boater safety certificate may operate a sailboat during class sessions while under the supervision of a STEP instructor. Additionally, any individual may operate the WVSC Club boats at times other than STEP class if he/she has been certified through the STEP program and possesses the Kansas boater safety certificate.

APPROVED BY: Alan Stark – KDWP Regional Park Manager
Seth Turner – KDWP Park Manager
Ernie Condon – Commodore WVSC
Gary Pierce – STEP Board President
Gene Nold – STEP Treasurer
Tedd Blankenship – STEP Program Administrator

The Incredible Helpers at the SHRIMP BOIL

First let me say that Geri McFadden and Billy Clark are the hostesses with the mostess. This social ran like a well oiled machine. The chefs were Dave Barker, Tony Zielienski, Mark Reeves, Ernie Condon, Gary Mackey and Billy Clark.

The kitchen staff was Ardie Condon, Patti Mackey, Geri Macfadden, and Gay Sweet. Thanks to all club members for helping out with setting up and tearing down for our party.

Our photographers were Diana Smith and Doug Bebensee. It will be fun to look back at this social via our web site.

We were entertained for 4 hours by the wonderful sax music of Kevin May. There was music, dancing, and just an overall good time.

A sincere thank you to all who attended and brought family members and guests. We will get you the attendance numbers as soon as they become available to us.

Hope to see you at the fish fry. Geri McFadden and Billy Clark will be hosting this social as well. Remember Jim Bybee has caught our fish and will be preparing his catch for us at the picnic table area.

Best Wishes and Great Sailing,
Gwynne Bonifield

OUR NEW KITCHEN FLOOR

A huge thank you to Zach Kissak for taking charge to make sure we had a new kitchen floor for the June social. Those who participated were: Dave Bonifield, Dave Reynolds, and Maurice Goff — old tile removal, Zach Kissak, Dave Barker, Amos Cabe and Chris Collins — under lay removal and new floor installation. Gwynne Bonifield helped Zach choose our new flooring. We purchased the linoleum at Jabaras. ■

CARDBOARD BOATS: Battleship Edition!

TEAMS NEEDED! • JULY 6th

Each team will be provided with cardboard boxes and one roll of duct tape. Bring your own tools and life jackets (and paddles/oars if you have them). We will have a "skippers" meeting at 1:30 PM. At 2:00 PM, each team will start and will have one hour to complete their boat.

After the one-hour build time, teams will float their boats (with one or more people in each of them). The boat that stays afloat the longest will be the winning team. However, the main objective is to have a lot of fun participating or watching. Ties will be broken by water balloon wars. Water balloons will be provided. Ice Cream will be provided afterwards.

Also, bring your model sailboats out to the lake. If you don't have one, come and try ours! You can't hurt them, and they are a lot of fun!

Come at 1:00 and we will have fun while the cardboard boat teams are building their boats.

Please call Ernie Condon at 640-8951 to sign up so we know how much cardboard and duct tape to bring.

GUIDELINES FOR SOCIAL FUNCTIONS

Members who do not cancel the Wednesday prior to a social will be billed. Please refer to the guidelines in the WVSC handbook; Page 4, number 3. Reservations are firm. *"Those making reservations and not appearing at the event will be billed by the Treasurer. Reservations may be cancelled no later than the Wednesday prior to the event unless otherwise noted in the event notice."* Of course, there are emergencies and illnesses which could arise unexpectedly. Please contact Ardie Condon, calling chair, at 733-8920.

The decision to follow this policy is due to the overage of food purchased for each social when guests do not show up. Certainly, this application of club policy is understandable. Furthermore, we have decided that this year we will NOT offer work credits for working the socials. However, you only need to work 1 and 1/2 hours in order to receive a free dinner at the social. The use of both work credits and free meals was causing a nightmare for our money handlers and it has been requested that we do one way or the other.

THE FISH FRY IS BACK!!!

July 20, 2013 | Social at 6:30 | Dinner at 7:00

Jim Bybee and crew will again be supplying and cooking fish this year.

We need volunteers to bring side dishes. Please sign up for the side dishes on sheets in the Club House. Those bringing a side dish or desert will not pay the \$12.50 charge for the best darn eat'n around. Cost to everyone not cooking is \$12.50.

If you have questions:

please call Geri McFadden at 681-0820 or email at gmcfadden@cox.net.

Thank you so much for supporting the WVSC socials.

WVSC RACING SCHEDULE & RACE COMMITTEE 2013

See the race day/race committee sheet below to see who has signed up for race committee and what race days still needs RC. If you plan to race this season, you also need to do RC a minimum of two race days. Please call or email me to let me know what race days you would like to cover RC. I will keep the master list. - **Randy Malcom** | 733-1049 or 250-9275 | rdmalcom@att.net

WVSC RACING for 2013

To all of the WVSC members:

A contingency of the WVSC Racing Community met in early February and agreed upon the 2013 racing program and schedule. That being said, there are a few changes. Mainly adding Wednesday evening racing to the racing schedule. We also eliminated the handicap scoring system we tried out last year.

2013 Goals:

1. Adding Wednesday evening races for more race options to our club members.
2. Increased participation through the STEP program students.

NO changes to the following:

1. Portsmouth handicap with wind speed factors
2. 5-minute start sequence
3. Separate starts for keelboat & centerboard fleets
4. No courses set through hazard areas
5. 3-boat minimum to make a race
6. **Scoring:** Club Championship using race scoring "Percentages of Boats Beaten" per U.S. Sailing and as used 2012 as at WVSC. This system automatically encourages participation (no participation bonus needed) and encourages participation outside your comfort zone.
7. **Scoring/Participation: Club Championship — Keel & Centerboard**
 - a. Throw-outs – 1 race in 7 completed.
 - b. Minimum participation to win championship is 8 races and or 35% of all races sailed or whichever is greater.

Long Distance Races:

1. 1 Per Month max at R/C option
2. Any regular race with wind from 190 degree +/-15 degrees
3. Down to "Dam" and back with optional reaching mark.

Racing Schedule:

We will be racing on Saturdays/Sundays, alternating between the two weekend days. In addition, we will be adding Wednesday evening races also. All races will count towards the club trophy for keel and centerboard boats.

1. The racing schedule is as follows:

- a. Sunday races spring schedule will start at 2:00 PM for 2 races.
Sunday races on May 5, 12, 19, 26, & June 2.
- b. Saturday races summer schedule will start at 3:00 PM 2 races.
Saturday summer races on June 15, 22, 29, July 6, 13, 20, 27, August 3, 10, 17, 24, 31, & September 7.
- c. Sunday race fall schedule will start at 2:00 PM for 2 races.
Sunday fall races on September 15, 22, 29, October 6, 13, 20, & 27.
- d. Wednesday evening will start at 7:00 PM for 1 race.
Wednesday races on May 22, 29, June 5, 12, 19, 26, July 3, 10, 17, 24, 31, August 7, 14, 21, 28, September 4, 11, 18, & 25.

Race Committee:

Participating in RC can be an interesting experience. However, if you have no desire to race, but you don't mind getting out-on-the-water, watching boats complete the course that you laid out...then come on out. We're always looking for an extra hand on the RC boat, even if you've not gone through RC training. We still need people to sign up for the 2013 race committee and there are a lot of open race days. With the addition of Wednesday racing, race days have increased almost 50%. So contact Randy Malcom to schedule your RC day (733-1049 – rmalcom@att.net).

In Summary:

Our primary goal is to encourage participation in what we as Sailors/Racers feel is a great sport. It is absolutely the best way to improve your sailing skills and gives you an objective when you get on the water. So...think about coming out and give racing a try, it's not a difficult sport and...

If there are any questions at all please contact either Steve Kubin, Race Chair (733-1295) or Randy Malcom, Co-chair (733-1049 – rmalcom@att.net).

Thanks, Steve and Randy

Minutes Subject to Correction

Attendees

Board: Ernie Condon, Gary Pierce, Randy Malcom, John Aschbrenner, Genee Kubin and Dave Bonifield. Tedd Blankenship and Paul Schye absent. First meeting for Dave Leiker who has taken the position vacated by Ed Webb. Dave Bonifield is taking minutes for Paul Schye.

Call to Order: 7:00 PM by Commodore Ernie Condon.

Quorum is present.

Opening remarks: Commodore welcomed new BOG member David Leiker.

May Board Meeting corrections: Add Tedd Blankenship to list of members who helped at the work party.

Minutes approved as amended. Action items from prior meetings:

- Paul Schye to try to contact Keith Kubik, going to inactive? Still working on contact. If Mr. Kubic has not responded by the July BOG meeting, BOG will begin action in accordance with by-laws and rules.
- Ernie to contact NSA Commodore. Complete. No assistance required at this time.
- Ernie to call BOG nominees with election results. Complete last month.
- Genee to provide info on how many dry storage spots we have open. Complete. Two open spaces. Others can be vacated by STEP and club storage if needed.

Treasurers Report

Genee presented the Treasurers Report. Approved as submitted.

Vote on new membership applications:

- Tom Forcht. Approved. Cat 22. Long time NSA sailor, Sailing with Ed Web.
- Jerre Bontrager. Tabled for further info. Randy Malcom will follow up. Email vote authorized when interview is complete.
- Alan Zarycki. Tabled for further info. New to Wichita. Randy will follow up. Email vote authorized when interview is complete.
- Guy & Beth Bower have resigned.

New Business

Dave Leiker welcome and indoctrination: Dave will take liaison for Membership and Public Relations committees.

Boat Hoist update: State has no problem with the hoist proposal. The proposal is now at Corps of Engineers.

Tedd's improvements to the dinghy dock: Rubber docks have been located on the north side of the dinghy dock for STEP program. Other improvements are not yet complete. Some concerns from large boats about narrowing the turn space for B-south. No real issues yet.

Dry storage issues: Ernie comments that Members are requested to clear

all dry storage slot assignments with John McCabe PRIOR to moving a boat and/or trailer into dry storage or PRIOR to changing dry storage slots.

Park Bench update: Picnic tables have been repaired by the Wednesday Morning Breakfast Club, John McCabe, Dave Reynolds, Wayne Hemmen, Tim Miller, Maurice Goff, and Gene Nold. Next time you see these members, please say thanks.

Unused boats in needed slips: Tabled to next month.

BOG Committee Reports

Harbor Committee: *John Aschbrenner*

Powerboat still leaks oil when motor is raised. Gary Mackey working on this. Do not raise motor until issue resolved. Dock repairs & dinghy dock. Harbor work party had two participants. Next one is 29 June and another TBD in July.

Sailing Program Committee: *Tedd Blankenship*

Tedd absent. General discussion. "Pirate" event mostly blown out, but land activities went on. Fun had by all. Summer Solstice sailing event on June 22 has been coordinated with Shrimp Boil committee. Email notification to go [went] out to club.

Social Committee: *Dave Bonifield*

Italian Dinner went off very well with good attendance. Thanks to all who helped. Next social is Shrimp Boil on June 22, hosted by Geri McFadden. Geri will also host the Fish Fry in July. Jim Bybe reports he has caught all the fish. BOG has agreed to host the August social.

Sail, Training and Education Program: *Ernie Condon*

STEP training is full, 40 kids and 20 adults. For the first time, youth are required to pass a boater safety class prior to beginning sailing training. Process agreement attached. KDWP ranger instructors teach the class. STEP provided study materials in advance and the first class of youth arrived well prepared. All youth in the June class passed the test on their first try!

Finance: *Genee Kubin*

Electricity bill: Electric bill back to normal. No reason found for high bills this winter.

Insurance: Board requested Genee to invite our insurance agent to the July BOG meeting to brief the board on just what our insurance does and does not cover.

Racing Activities Committee: *Randy Malcom*

Some races blown out. Otherwise, good participation. Race committee needs more volunteers for committee boat.

Building and Grounds: *Gary Pierce*

See picnic table and dry storage above.

Activity Center: *Paul Schye*

Paul absent. General discussion. Zach Kissack is contracted to do club house cleaning this year. Members are reminded that those members at the clubhouse on Sunday evening should make sure the trash containers
